WHAT WE TRADE

A combination of liquid markets

FOREX

FX

Major & minor pairs

CRYPTO

CRYPTO

BTC, ETH & top coins

ETFs

ETF

Index & sector funds

STOCKS

EQUITY

Large-cap equities

Deep liquidity means fast entries and exits with tight spreads.
Diversifying across four asset classes spreads risk across markets.

HOW IT WORKS

Algorithms execute. Experts supervise.

1. SIGNAL

Quant models scan all four markets for setups.

2. RISK CHECK

Every trade capped at strict per-trade risk.

3. EXECUTION

Algorithms enter and exit with precision.

4. OVERSIGHT

15-year veteran traders monitor every session.

Accrual Monday to Friday on trading days only.
New positions start on the next business day.

INVESTMENT PACKAGES
